

Kellie & Marty

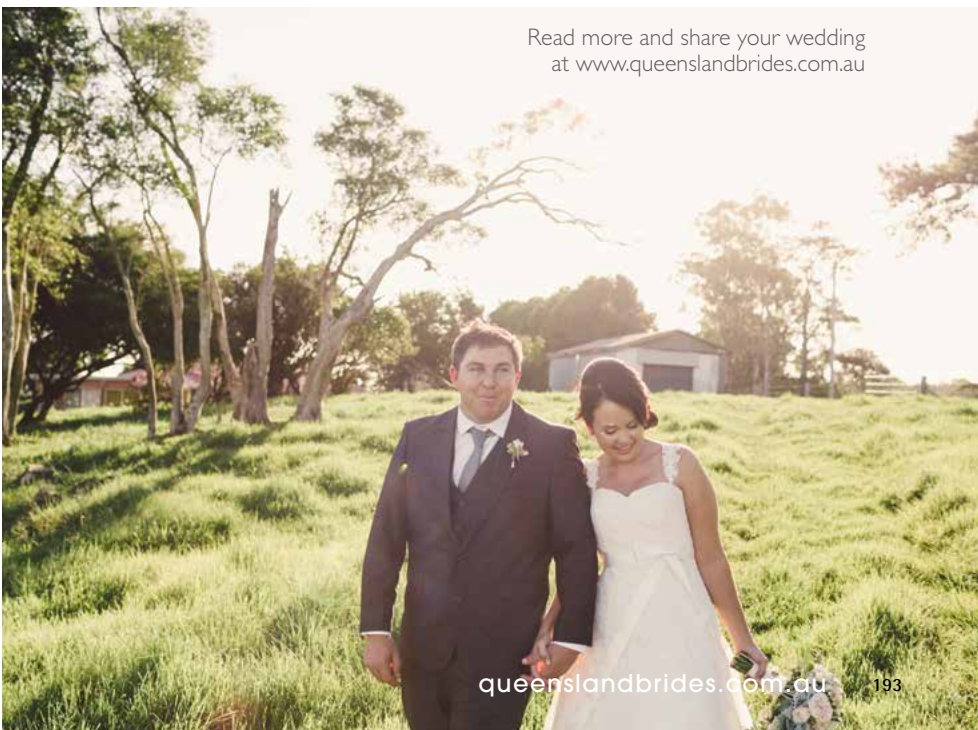

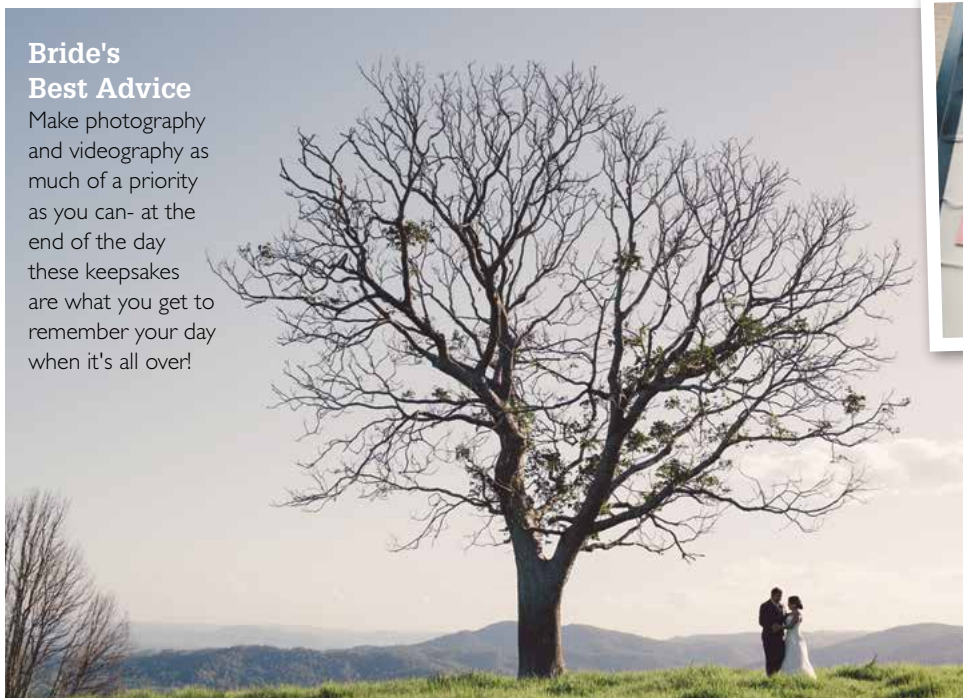

The limo ride to the chapel was an emotional one for Kellie Leader. As the driver played *Going to the Chapel* and her maids began singing along, it all started to sink in – this was the big day! She and sweetheart Marty Burkhardt chose a romantic, rustic theme with a touch of country charm and a dash of DIY magic for their Maleny nuptials. And we love their bonbonniere idea: bottles of Kellie's dad's famous hot sauce.
